Flight-Specific Questions

11. How do I check in for my flight?

You can usually check in via the airline's own website using your airline confirmation code (found in your Booking.com itinerary).

12. What should I do if my flight is delayed or canceled?

Contact the airline directly for immediate rebooking or compensation options, and check your Booking.com "Manage Trip" section for OTA-specific support.

13. Can I change the passenger name on my ticket?

Name changes are typically restricted by airlines. Contact Booking.com support or the airline as soon as you notice an error.

14. Does my flight booking include seat selection?

This depends on your fare class. Check your confirmation details to see if seat selection is included or if it requires an additional fee.

15. Are baggage fees included in the search price?

Always check the "Fare Rules" or baggage policy details during the search process, as budget fares often exclude checked bags.

16. How do I request a refund for a canceled flight?

Refund eligibility is governed by the airline's fare rules. Use the Booking.com Help Centre to initiate a refund request if the airline policy permits it.

17. Can I combine flights from different airlines in one itinerary?

Yes, Booking.com often provides "Self-Transfer" or combined itineraries, but be aware of the increased risk if one flight is delayed.

Booking & Confirmation

A: You will receive a confirmation email shortly after your payment is processed. You can also view your active reservations in the "Bookings" section of your account. If you don't see it, check your spam/junk folder.

Q: Can I add a booking to my account if I wasn't logged in?

A: Unfortunately, it is not currently possible to manually add a booking to your account if you were not logged in at the time of purchase. Please refer to your confirmation email for all trip details.

Q: Why is my booking status still "pending"?

A: Sometimes we need to verify availability with our partner companies. This process usually takes about two minutes, but in rare cases, it may take longer. You will be notified via email as soon as the booking is confirmed.

Payments & Refunds

Q: When will I be charged for my booking?

A: This depends on the property's payment policy. Some require prepayment at the time of booking, while others take payment upon arrival. Check your confirmation email for the specific terms of your stay.

Q: How long does a refund take?

Q: Does Booking.com charge a booking fee?

A: Booking.com does not charge an administrative fee for bookings. Any taxes or additional charges you see are set by the property or local government regulations.

Modifications & Cancellations

A: Your specific cancellation policy is clearly outlined in your booking confirmation email and on the "Bookings" page within your account.

Q: What if I have an urgent issue or the property cannot find my booking?
